

DECLARATION OF SOVEREIGNTY

I AM, a creation of the One Infinite Creator incarnated into a man of living mind, body and soul otherwise known as Adam Michael in this realm of Heaven on Earth and on the lands known as the Kingdom of Canada. I AM hereby declare Sovereignty exclusively under the Natural Laws of the One Infinite Creator.

I AM, shall be referred to as Adam Michael, identifiable by the “Certificate of Private ID #BTT-001” that I shall hold or have access to, provided to I AM, as beneficiary under the protection of private trust and the One Infinite Creator.

I AM, do not represent any identifications of a corporate fiction otherwise known as a PERSON, or otherwise, and as such, exempt from any treatments, and requirements pursuant to any corporation’s process, law, legal act, code, or statute, or any color thereof created by another human or corporation.

I AM reserve all rights and dominion provided by the One infinite Creator in this realm under Natural Law, waiving none ever.

I AM, through the expression of free will provided to all living beings in this realm by the One Infinite Creator, hereby declare and consider I AM, and all “We The People” of the Kingdom of Canada and of Earth as self governing sovereign beings under Natural Law and the Royal Decrees of Queen Romana Didulo based on Natural Law.

Ultimate sovereignty is vested in all living beings, who received that sovereign authority in the form of laws provided by the One Infinite Creator and by the land, air and water itself. We The People have delegated only limited authority to the benevolent Royal Decrees of Queen Romana and have reserved the rest of our natural sovereignty to ourselves.

Natural sovereignty protects and embraces the spirit of love of the One Infinite Creator, the land, air, waters, people, and our vibrant existence in this realm.

The reach of I AM’s sovereignty as I come in peace and love, includes the lands within the borders of what is known as the Kingdom of Canada and extends across all land, air and water of this realm and further into space and all galaxies known and unknown.

I AM, in full essence and spirit, declare to uphold natural laws, to love, respect, resonate, sustain and support harmony, embody peace and prosperity, trust and equality within oneself and the benevolent essence of all life for future generations to come.

I AM, recognize that this declaration may not perfectly state the full and complete extent of sovereignty. The sovereignty of living beings is never based on the laws of human beings, but on natural laws provided to us by the One Infinite Creator.

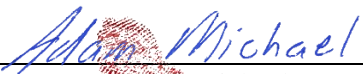

Without waiving any additional attributes of sovereignty that may not be expressly described in this document, I AM, make this declaration in order to inform all who deal with I AM, and future generations of the essential nature of sovereignty.

If there is any man, woman, boy or girl damaged by any statements herein or actions hereafter, a notice of claim to inform I AM of the facts shall be considered immediately and handled accordingly and exclusively in the jurisdiction of a Court of Natural Law.

And so it is.

I, the undersigned witnesses acting in good faith affirm, that the man executing this document, is known to me and/or has presented sufficient evidence to establish lawful identity and status; I accept same as evidence of the facts presented.

IN WITNESS WHEREOF I hereunto set my hand and seal on this 1st day of June, 2023.

By: Adam Michael
